About Grassroots Vermont

Grassroots Vermont provides pure, effective, and affordable medical marijuana to patients across Vermont from our Rutland County dispensary. Founded and operated by a local Vermont family, Grassroots provides patients with a healthier approach to natural wellness. Grassroots cultivates its own indoor marijuana using health-conscious methods and offers a variety of world-class, natural products.

Our dispensary is located in Brandon, in the heart of Rutland County. Appointments are required to visit our dispensary. We welcome all registered Vermont patients to meet with our compassionate, knowledgeable marijuana consultants. During your one-on-one appointment, our staff will make recommendations based on your needs and preferences, ensuring that you leave with the best medicine for you.

Please note we do not accept debit or credit cards at this time.

HOME DELIVERY AVAILABLE STATEWIDE!

We are proud to be the first dispensary to offer home delivery to patients anywhere in Vermont.

Strain List

First Frost

80% Sativa | THC 31.79%

Bred in-house, this high-THC strain is cerebrally stimulating, but equally effective for body pain. The taste is sharp and fruity with a hint of pineapple. First Frost is a derivative of Trainwreck.

Super Lemon Haze

80% Sativa | THC 23.77%

Euphoric and energetic, Super Lemon Haze is an idyllic daytime strain that brings on an alert buzz. A Lemon Skunk and Super Silver Haze cross, the taste is very sweet and citrusy, with a distinct lemon flavor.

Gorilla Glue

70% Sativa | THC 16.82%

Super sticky, high-THC Gorilla Glue has a lingering crisp, pungent flavor. Intense, long-lasting effects creep up with feelings of euphoria, mood elevation, profound introspection and spontaneous laughter. From the Elev8 seed house, Gorilla Glue is a cross of Sour Dubb, Chem Sis, and Chocolate Diesel.

Diamond Daze

70% Sativa | THC 14.48%

Diamond Daze is a high-energy natural mood elevator with a pungent citrus flavor. With a focused, cerebral effect, it offers daytime relief without leaving patients feeling weighed down. This original strain comes from XO1 and First Frost.

Jilly Bean

70% Sativa | THC 17.40%

This Sativa-dominant strain inspires euphoria, energy and talkativeness. It has a sweet, creamy citrus flavor from its Orange Velvet and Space Queen ancestry.

Sherbet Cookies

60% Sativa | THC 18.16%

Sherbet Cookies is highly recommended for patients struggling with nausea. It is long lasting, with a complex earthy, woody, musk flavor. This potent strain from Elev8 seeds is a cross between Thin Mint Scout Cookies and Sunset Sherbet.

Green Mt. Splendor

50/50 Hybrid | CBD:THC 16:1

This incredibly high-CBD strain offers effective relief from intense pain and inflammation without the intense psychoactive effects of higher-THC strains. It has a sharp yet savory pine flavor and is derived from YMCA.

Big Bud

90% Indica | THC 25.53%

This Indica-dominant strain has a pungent citrus taste with a clean pine finish. Big Bud provides intense full body relief and is ideal for patients with severe pain, depression, and PTSD. The genetics of this anxiety relieving strain include Afghani, Skunk #1, and Northern Lights.

Kush n' Cheese

80% Indica | 23.49% THC

The calming, sedative Indica-dominant strain comes with a highly euphoric effect. An ideal medicine for anxiety and insomnia, this Emerald OG x UK Cheese cross has a distinctively sharp smoked cheese flavor.

Star Fighter

60% Indica | THC-14.74%

This Indica-dominant strain is extremely potent, with a strong pepper and mint musk flavor. Its effects start with an instant, short-lived couch lock with a lingering feeling of deep calm. Star Fighter offers effective relief from intense pain, insomnia, and PTSD. From Elev8 seeds, Star Fighter is derived from Alien Tahoe OG and Lemon Alien Dawg.

Blue Diesel

60% Indica | THC-21.1%

This well-balanced Indica-dominant hybrid has instantaneous mood elevating effects that linger even through the deep relaxation that creeps in. Blue Diesel is great for daytime pain relief without the intensity of a cerebrally stimulating typical day-use strain. Blue Diesel is the offspring of NYC Diesel and Blueberry.
